MEMORANDUM FOR: Director, National Security Agency

ATTENTION: NSA-312

ENG-6-327

SUBJECT: Evaluation of Finch Intellofax Faxcard Equipment

1. Personnel of our Agencies have determined that evaluation of the Finch Intellofax Faxcard equipment in accordance with Project Tempest will be of mutual benefit. We understand that your Agency can perform this test and that the test will require approximately ninety days. We further understand that you can make copies of the test report available to this Agency and that the operation of the equipment will not be impaired by the tests.

2. This Agency would be pleased to make one Finch Intellofax Faxcard Transmitter and Receiver available to you for testing under these conditions. If this meets with your approval, we will ship the equipment as you direct upon receipt of shipping instructions from you.
